

# Mobile Crane Operator Training

## at Your Facility

All courses at your facility are customized to meet your specific training goals, including subjects, equipment, and certification requirements.

With over 25 years of industry experience, ITI's Mobile Crane Operator Programs are designed to increase the operator's knowledge, skill, and proficiency level through classroom workshops and hands-on training.

### Mobile Crane Operator ■ Initial ■ 10 Day Course

This program is designed for the person who has little or no experience with mobile crane operation. It builds participants' knowledge, skill and proficiency through classroom workshops and hands-on operating sessions. The program covers:

- Crane terminology
- Pre-shift inspections
- Controls
- Basic crane principles
- Basic functions
- Outrigger set up
- Proper leveling
- Load charts
- Hand signals
- Erect extension
- Practical exercises

### Mobile Crane Operator ■ ITI Qualified ■ 5 Day Course

This program is designed for the incidental or experienced operator and provides participants with the knowledge and skills necessary to properly and proficiently operate mobile cranes and move loads. Classroom workshops are followed by hands-on operating sessions. Operators who successfully pass the written exams and hands-on evaluation will receive qualification valid for three years. The program covers:

- Daily inspection
- Operating practices
- Crane set-up
- Hand signals
- Load weight estimation
- Rigging gear selection
- Load control
- Load charts

### Mobile Crane Operator ■ CIC Nationally Accredited Certification ■ 5 Days

ITI offers Mobile Crane Operator Certification which is **nationally accredited** by the National Commission for Certifying Agencies (NCCA) through Crane Institute Certification (CIC).

- 3-day Test Preparation Course
- Day four: Written exams administered by a Chief Examiner
- Day five: Practical exams administered by a Practical Examiner
- Candidates must pass the written and practical exams to become a certified operator. Certification is valid for five years.

All participants completing the programs will receive Certificates of Attendance and Continuing Education Units (CEU's).
